listing Description

Prismetric is a venture of two technocrats having their individual core expertise in mobile solutions, web solutions, CRM solutions and Business Intelligence solutions. Their synergy worked exceptionally well and within a short span of time, the company became a leading provider for full-range technical solutions. It earned prominent client base in US, UK, Canada, Australia, European countries, UAE, South Africa. Since its establishment in 2008, Prismetric is powered by the vision 'Customized technology solutions that delight clients'. Dedicated team of 60+ highly qualified developers, experienced project managers and industry consultants solidifies Prismetric's repute of an off-shore technology company providing superior quality solutions.
